Artificial Intelligence Application Development and Jira

Practical – 10

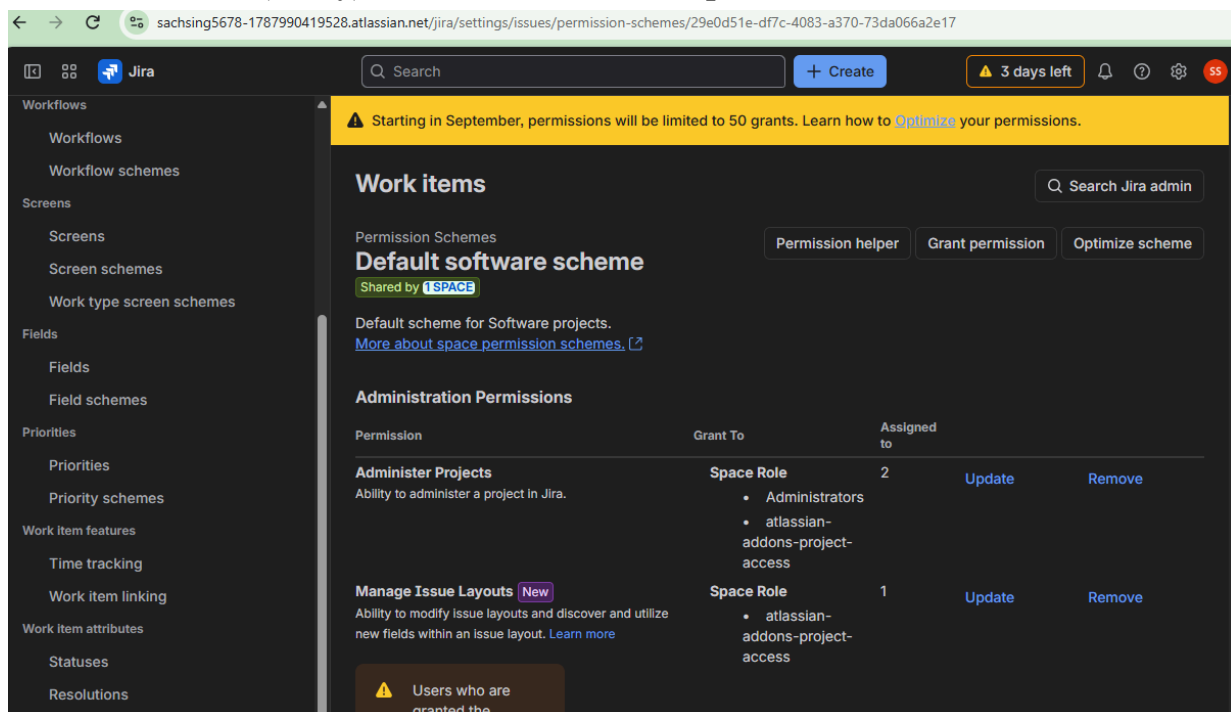

Roll No.:T044	Name: SACHIN SINGH
Class:TY.IT	Batch: 1
Date of Assignment:23/09/2026	Date/Time of Submission:23/09/2026

Click Space Setting → Click Permission

The screenshot shows the Jira 'Space settings' page for a space named 'hjhjhjhj'. The left sidebar contains a menu with options: Details (selected), Summary, People, Permissions, Notifications, Automation, Features, Toolchain, Workflows, Work items, Versions, Components, and Apps. The main content area is titled 'Details' and includes a space icon, a 'Change icon' button, and form fields for 'Name' (hjhjhjhj), 'Space key' (HJHJHJHJ), and 'URL'. A note indicates 'Required fields are marked with an asterisk *'. At the bottom, there is a section for 'How your space is managed'.

Perform Actions (if any). Click Actions → Edit permissions

The screenshot shows the Jira 'Permission Schemes' page. A yellow banner at the top states: 'Starting in September, permissions will be limited to 50 grants. Learn how to [Optimize](#) your permissions.' The left sidebar lists various Jira configuration areas: Workflows, Workflow schemes, Screens, Screen schemes, Work type screen schemes, Fields, Field schemes, Priorities, Priority schemes, Work item features, Time tracking, Work item linking, Work item attributes, Statuses, and Resolutions. The main content area is titled 'Work items' and shows the 'Default software scheme' (Shared by 1 SPACE). It includes buttons for 'Permission helper', 'Grant permission', and 'Optimize scheme'. Below this is the 'Administration Permissions' table:

Permission	Grant To	Assigned to		
Administer Projects Ability to administer a project in Jira.	Space Role - Administrators - atlassian-addons-project-access	2	Update	Remove
Manage Issue Layouts New Ability to modify issue layouts and discover and utilize new fields within an issue layout. Learn more	Space Role atlassian-addons-project-access	1	Update	Remove

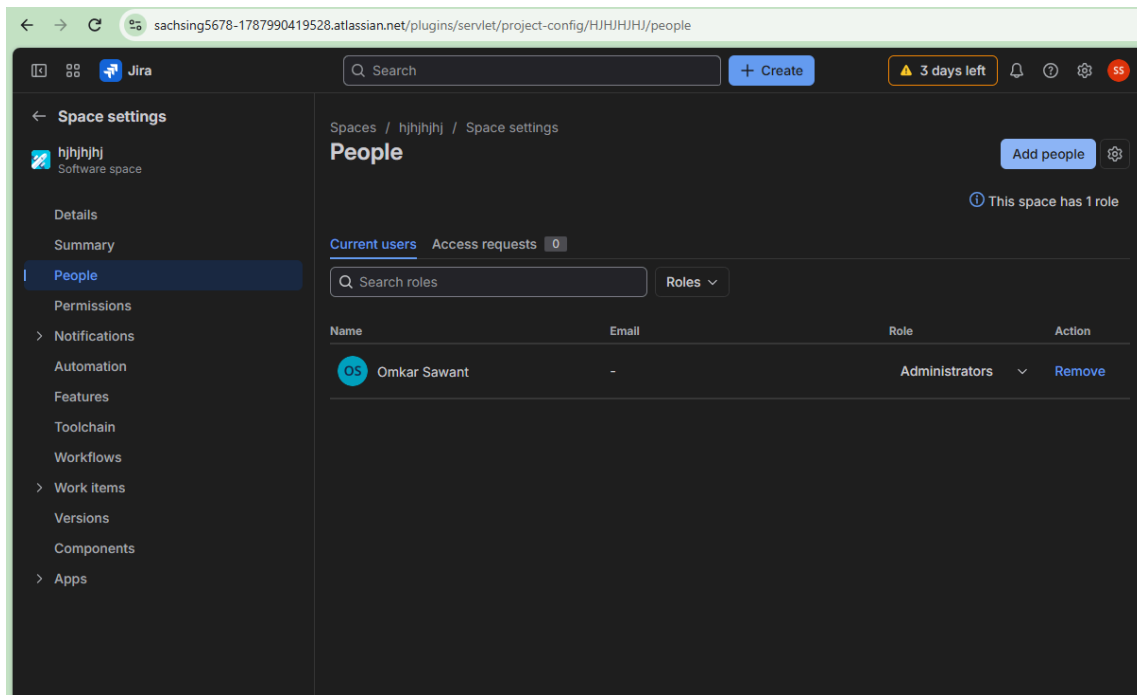

A warning icon and text at the bottom indicate: 'Users who are granted the'.
